Company Profile

C O M P A N Y P R O F I L E

Sole & Exclusive Distributor in Korea

Company Overview

ABOUT NEXFIRA

Technology that connects the future, NEXFIRA

NEXFIRA is a specialist in optical fiber and optical cable. Built on JOIL Group's international logistics infrastructure, we are the sole and exclusive distributor in Korea of a dedicated FiberHome manufacturing partner — a National High-tech Enterprise in which FiberHome (烽火通信), a global optical communications leader, holds an 18% equity stake — supplying the full range of outdoor, drop and special optical cables through a stable supply chain at competitive prices.

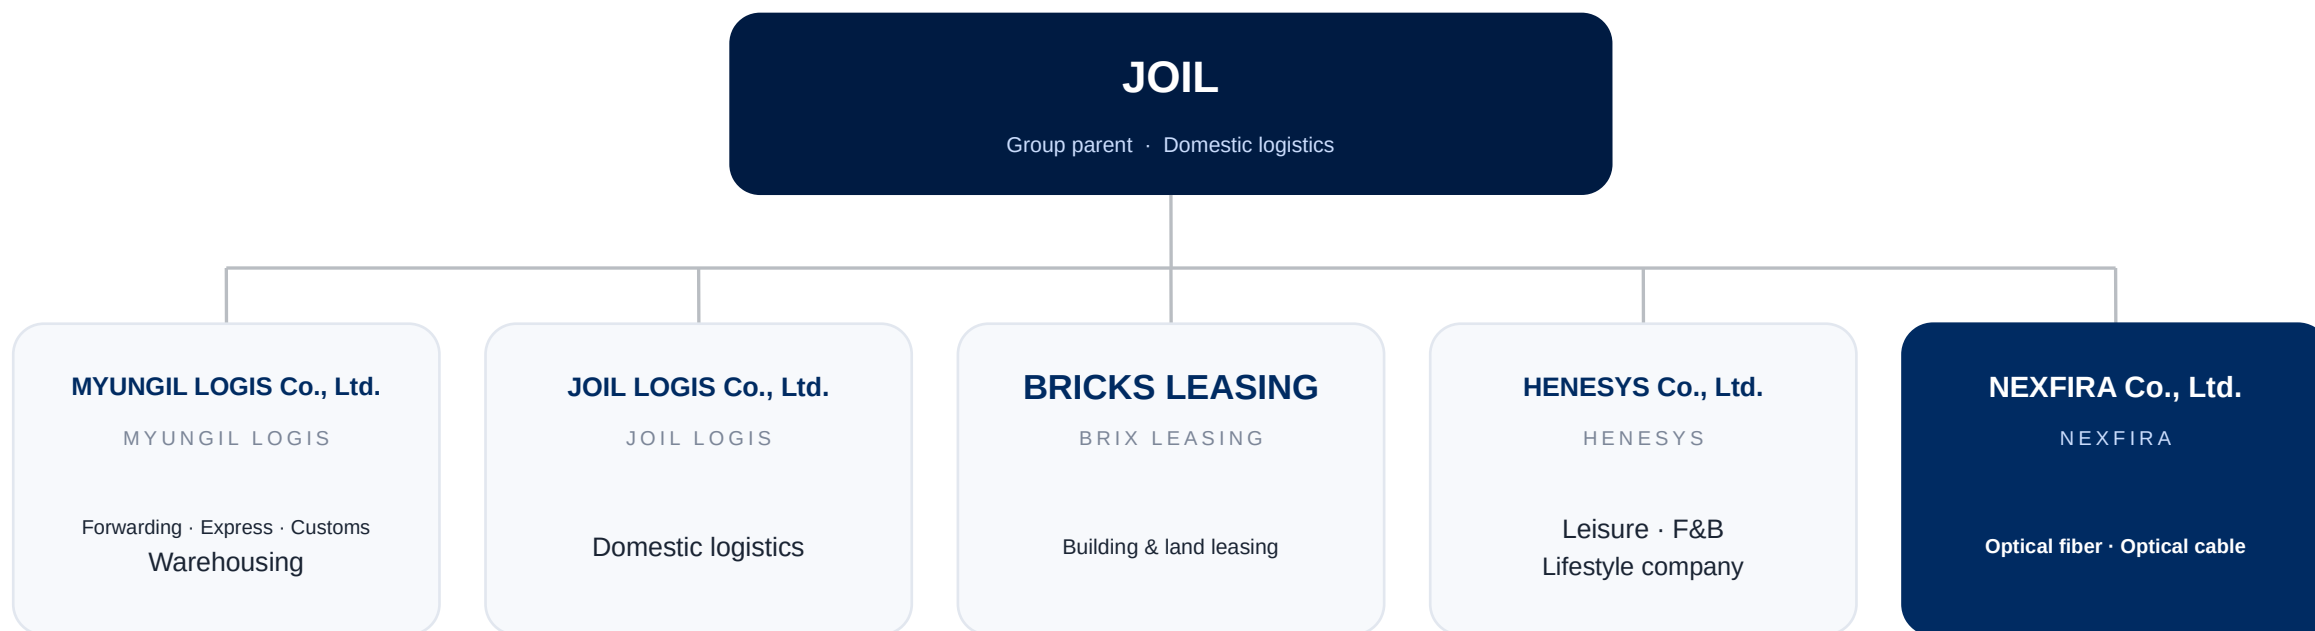

With trilingual business capability spanning Korean, Chinese and English, we handle technical and commercial communication directly between the overseas manufacturer and domestic customers.

Company	NEXFIRA Co., Ltd.
Distributor status	Sole & Exclusive Distributor of the manufacturing partner in Korea
Location	134, Wonhyo-ro 1-ga, Yongsan-gu, Seoul, Korea (Room 204)
Business	Import & distribution of optical fiber and cable, custom-engineered supply (sole & exclusive distributor in Korea)
Website	www.nexfira.com
E-mail	ken@nexfira.com

JOIL GROUP & NEXFIRA

JOIL GROUP AFFILIATION

An optical communications brand built on the solid foundation of a logistics group operating at home and abroad

Core Strengths

WHY NEXFIRA

01

Direct link to group logistics

Directly connected to JOIL Group's Korea–China forwarding, customs and warehousing infrastructure, structurally reducing lead time and logistics cost.

02

Sole & Exclusive Distributor in Korea

Exclusive distributorship with a dedicated FiberHome manufacturer in which FiberHome holds an 18% equity stake (15 million F-km annual capacity, National High-tech Enterprise). Genuine products are supplied with the manufacturer's warranty and factory technical support.

03

Full line-up + custom design

20 standard outdoor, drop and special cable types, 38 producible models, plus custom manufacturing and design to customer specifications.

04

Trilingual business capability

Technical documents, specification discussions and commercial communication are handled directly in Korean, Chinese and English.

Sole & Exclusive Distributor in Korea

SOLE & EXCLUSIVE DISTRIBUTOR

NEXFIRA Co., Ltd. is the sole and exclusive distributor of the manufacturing partner in the Republic of Korea, responsible for import, sales, distribution, technical support and after-sales service. All inquiries and orders in Korea are handled by NEXFIRA, and every product supplied by NEXFIRA is genuine and covered by the manufacturer's warranty and factory technical support. The manufacturing partner is a dedicated FiberHome manufacturer in which FiberHome holds an 18% equity stake.

Manufacturer information Notice

The manufacturer's name, address, contact details and registration numbers are withheld to protect our business and are provided, together with the original Certificate of Exclusive Distributorship, only to customers under NDA.

◆ DISTRIBUTORSHIP SUMMARY

Territory

The entire territory of the Republic of Korea

Products

Single-mode optical fiber (G.652.D / G.657), outdoor optical cables (GYTA / GYTS / GYFTY etc.), ADSS / OPGW, indoor & FTTH drop cables, other manufacturer cable products

Authorised acts

Import, sales, distribution and promotion in Korea, tender participation, technical support and after-sales service, use of the manufacturer's name and trademarks in marketing

Quality

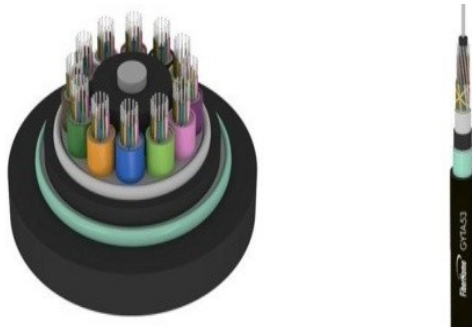

Genuine products — manufacturer's warranty and factory technical support apply

Evidence

Certificate of Exclusive Distributorship and MOU between both companies on file

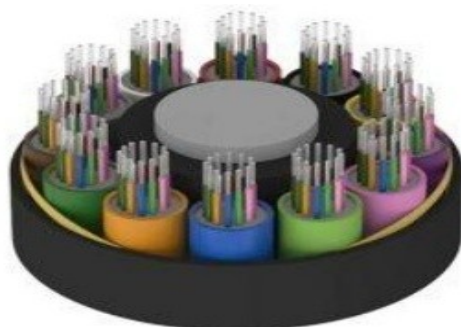

Business Areas

BUSINESS AREAS

Optical cable supply

Outdoor (stranded, central-tube, direct-buried, aerial), drop (FTTH) and special cables such as ADSS and air-blown

Custom manufacturing · Design

Custom manufacturing and optimal specification proposals based on fiber count, span, sheath material, flame-retardant grade and other requirements

Import · Inventory · Distribution

Direct import through group logistics infrastructure, domestic inventory and rapid delivery

Technical support · Documents

Technical data sheets and catalogs in three languages; technical inquiries handled in liaison with the manufacturer

Product Line-up

PRODUCT LINE-UP

20+

Standard product line-up

38

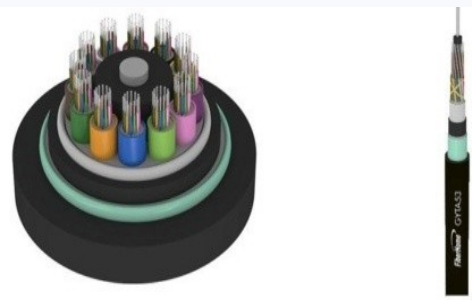

Producible models

1–288 fibers

Fiber count range

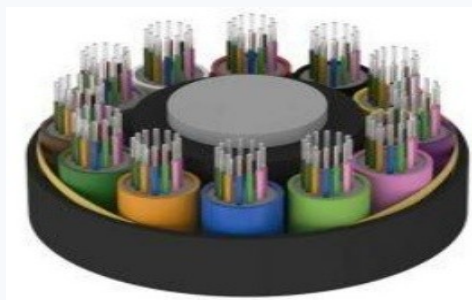

Custom design

Built to customer specs

Stranded optical cable

GYTA · GYTS · GYTA53 etc. for outdoor trunk

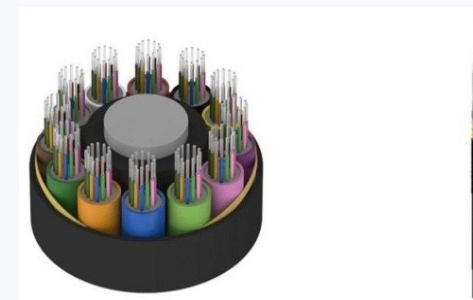

Self-supporting optical cable

ADSS · Figure-8 (GYTC8S) aerial

Drop optical cable

FTTH butterfly · invisible drop

Special optical cable

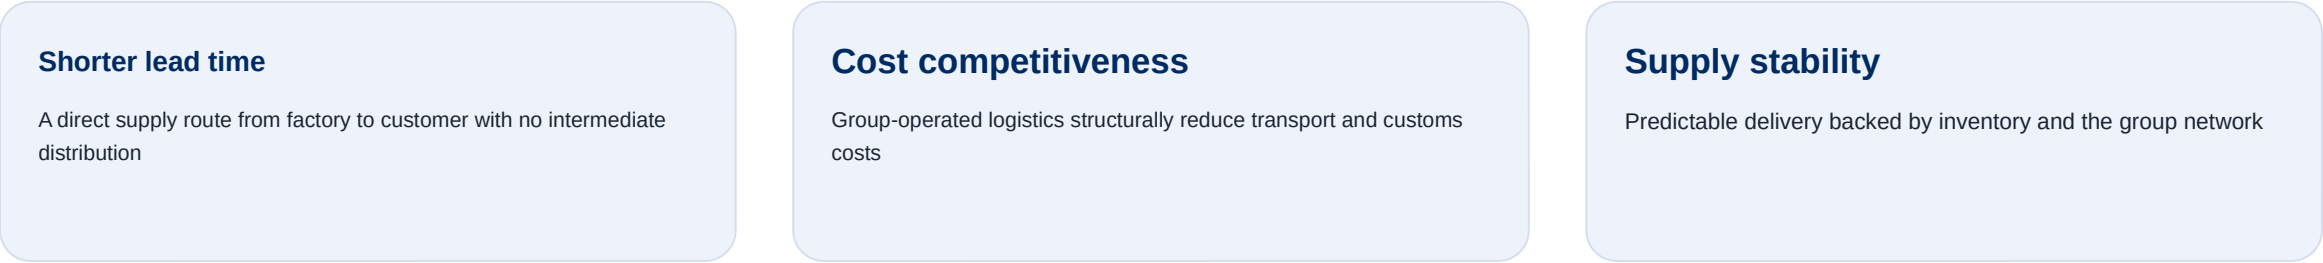

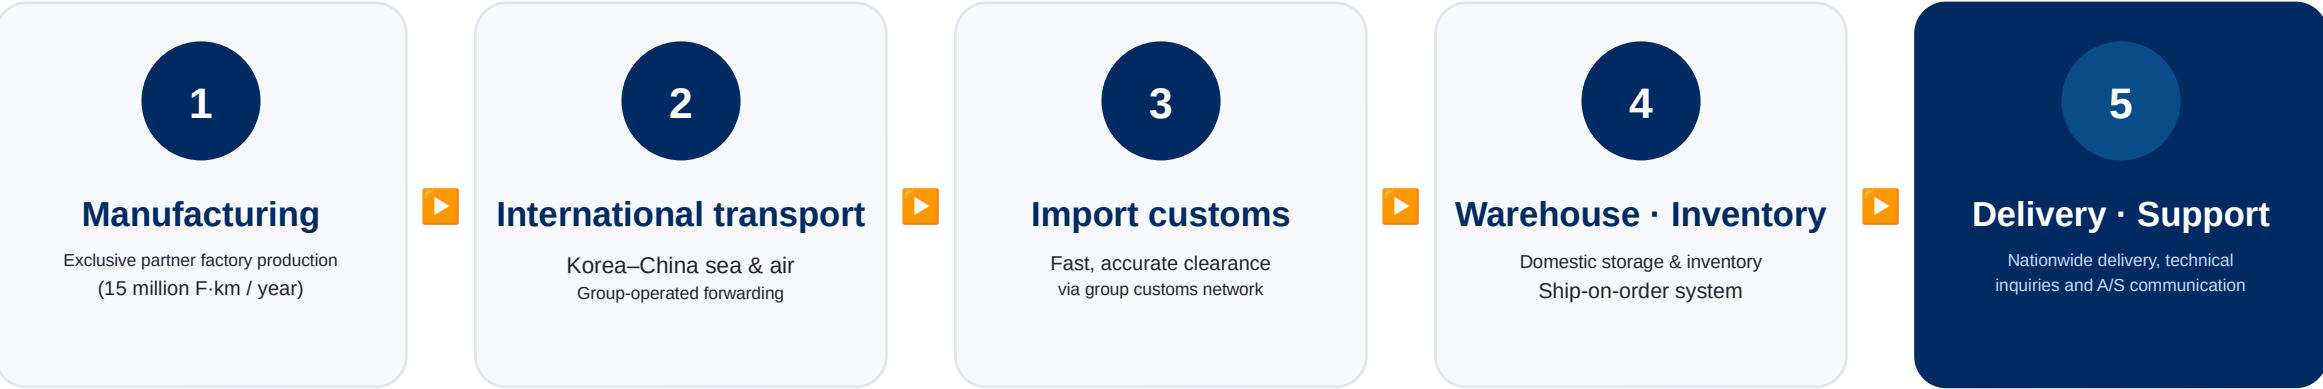

Anti-termite (GYTS04) · Air-blown (GYCFHTY)

❖ See the separate product catalog for detailed specifications. Custom manufacturing and design beyond the standard models are available.

One-stop Supply Process

ONE-STOP SUPPLY CHAIN

From manufacturing to delivery, a seamless supply chain within JOIL Group's logistics infrastructure

Quality

QUALITY ASSURANCE

Automated production line (manufacturing partner)

ISO 9001:2015

Certified quality management system · Full production traceability · All NEXFIRA products are genuine

With a "Zero Complaint" quality goal, every step from incoming inspection to finished-product inspection is controlled and traced.

Vision & Roadmap

VISION & ROADMAP

"Reliable optical infrastructure wherever connection is needed"

STEP 1

Establish domestic supply base

Standard line-up inventory, domestic customer references and a stable supply system

STEP 2

Expand product portfolio

Add OPGW, indoor soft cables and connectivity accessories to the portfolio

STEP 3

Expand into Asian markets

Enter Asian export markets using the group's Korea–China and Korea–Taiwan logistics network

Group logistics infrastructure × proven manufacturing partnership × trilingual business capability form the foundation for executing this roadmap.
